

Osiris Rojas, MA

Osiris Rojas, Program Officer and Grants Manager, is the newest addition to the Health Foundation team. She manages the grant application and grant cycle process. Osiris also helps lead the research, design and implementation of the Oral Health and Primary Care priority areas. Additionally, she works on the evaluation of grant proposals, training of potential grantees and monitors and provides consultation to grant funded projects

Prior to her current position, Osiris worked at the National Council of La Raza managing the Carreras En Salud program. Carreras en Salud is a nationally recognized health care career pathway program that addresses the need for bilingual health care professionals. Osiris received her Masters of Arts in Social Work in 2010 from the School of Social Service Administration at the University of Chicago. While at the University of Chicago, she worked for two years as a research assistant on a large scale study focused on the precariousness of hourly retail jobs.

Osiris is a member of the Consortium for a Healthier Miami-Dade (Oral Health Committee), and the Primary Care Task Force of the Health Council of South Florida. She is also on the Board of Directors of the Alumni Association of the School of Social Service Administration at the University of Chicago.
